

## OGP Annual Summit Commitment - Open trainings

COUNTRY

Hungary

TITLE OF COMMITMENT

Open trainings

DESCRIPTION

In the framework of the corruption prevention program and the OGP Action Plan, Hungary has started an ambitious integrity training program for public administration senior managers, leaders and public officials involving, until end of October, almost two thousand participants.

The training program was elaborated by the experts of the National University of Public Service, its content was further developed by foreign experts. The training material was tested and evaluated during pilot trainings, organised especially for representatives of the public and private sector.

In order to make citizens familiar with the content of the training and the expectations towards the public officials, Hungary is committed to organize open integrity trainings from 1st January 2014 in larger cities in Hungary. After registration, every citizen can attend these trainings and can evaluate this new education method which aims to enhance of the culture of integrity.
